2025 Leader's Guide
for Summer Resident Camp

GRAND CANYON COUNCIL, BSA
Discover Your Path

Grand Canyon Council is an equal opportunity organization that does not discriminate on the basis of sex, color, race, creed, or religion.

Dear Campers and Leaders,

As we embark on another exciting year, we are thrilled to introduce our 2025 Leaders Guide. In this guide you will find information necessary to ensure a successful and enjoyable experience for your Scouts and leaders.

At Camp Geronimo, we pride ourselves on offering an exceptional program that utilizes the rich traditions of scouting to provide challenge, camaraderie, and opportunities for personal growth. Our curated programs are designed to offer experiences for everyone in your troop from first year campers, to thrill seeking teens, to adult leaders looking to grow their toolbox of outdoor skills.

The Grand Canyon Council is committed to making Camp Geronimo the best camping experience in the West. We have approached this lofty goal by setting goals in four areas:

1. Program Innovation—Each year we launch at least one new speciality program. In 2025 we are launching 3 new pilot programs! At Camp Geronimo we are offering a supported backpacking program called High-line Trail that is designed to introduce participants to the joys of backpacking. At Camp Raymond, we are offering the Eagle Nest program where scouts will earn experientially based Eagle required merit badges, learn what it means to be an Eagle Scout, and have an awesome camping experience. Finally, we have a developed a physically challenging high adventure program for your oldest scouts (15+) called Four Peaks and a Ditch. Participants in this program will base out of Raymond and summit four successively higher peaks daily before descending into the Grand Canyon.

2. Food—We are committed to providing nutritious, high quality food at Geronimo and have continued to improve food quality for the past 3 years.

3. Facilities—Construction is underway to provide facilities that support the needs of multigender, modern campers. In 2025, you will see improvements to restroom and shower facilities and improved campsites. The property committee is working on a comprehensive master plan that include many improvements from infrastructure to program facilities in the future. If you would like to support the Camp Geronimo endowment, please see the link below.

4. Staff—The men and women who serve each summer are the heart and soul of Camp Geronimo. Please encourage your best and brightest to apply:

In this guide, you will find detailed information about our camp policies, program schedules, merit badge offerings, and other essential resources. We encourage you to review this guide thoroughly and share it with your troop leadership. Proper preparation is key to maximizing your camp experience, and we are here to support you every step of the way.

As you plan your troop's adventure to Camp Geronimo, please do not hesitate to reach out with any questions or concerns. Our team is committed to ensuring that your time at camp is safe, rewarding, and filled with the spirit of Scouting. We can always be reached at gcc.program@grandcanyonbsa.org

Thank you for choosing Camp Geronimo for your summer adventure. We look forward to welcoming you and your Scouts to the high pines of Northern Arizona for an unforgettable 2025 camping season!

Don't worry, more to come soon.

We're hard at work making sure every aspect of your summer adventure is ready to go. We'll have more to share with you at a later date.

Three New Programs. One Great Adventure.

Highline Trail. Embark on the ultimate 5-day, 4-night adventure as you trek from Camp Geronimo to R-C Scout Ranch along the iconic Highline Trail, where you'll conquer natural rock climbing, explore hidden caves and tackle exhilarating canoeing challenges.

Four Peaks & Ditch. Challenge yourself at Camp Raymond, where you'll conquer Arizona's most iconic summits - Bill Williams, Sitgreaves, Kendrick, and the towering San Francisco Peaks - Culminating in a breathtaking trek through the Grand Canyon National Park for an unforgettable high-adventure experience!

Eagles Nest. Soar to new heights at Camp Raymond's newest program, designed for older Scouts aiming to earn essential Eagle-required merit badges, where you'll gain the skills, leadership, and knowledge to achieve Scouting's highest rank while enjoying the ultimate camp experience.

Refund Policy

It is important to remember that all camp fees are nonrefundable at each payment stage. In the case of the death of an immediate family member, sickness, or injury prior to attending camp, or military transfer, we will give a partial refund when verified by a physician, military commander, or such official. Reasons such as vacation schedule, summer school, and last-minute changes of mind are not acceptable reasons for refunds. Participants that leave camp during the session, for any reason, will not receive a refund. Though fees are nonrefundable at each payment stage, units are eligible to make some changes without penalty. A youth can replace a youth, and an adult can replace an adult. This is not interchangeable. This is to help our council camps provide the very best program, since we sign contracts with our staff and vendors long before your unit arrives on property. **All refund requests must go through the camp registrar. The staff at camp are not authorized to make refund decisions.**

Camperships

Going to summer camp is a privilege and we believe campers should earn money for camp by doing odd jobs or participating in troop or council fundraisers; however, we understand that some families need additional assistance. A limited number of camperships are available and can be applied for at this link: www.support.grandcanyonbsa.org/forms-resources/

The first round of campership applications must be submitted by February 5, 2025 and processed by March 5, 2025. The second round of campership applications must be submitted by April 2, 2025 and processed by April 30, 2025.

Camperships will be applied to the registration balance once approved. Please note, if a Scout does not attend the program a campership was awarded for, then he or she will forfeit their personal contributions up to the minimum non-refundable amount. Additionally, camperships are awarded for a specific Scouts and cannot be transferred to other Scouts without completing a new campership request.

Leader Change in Camp

We understand that taking an entire week off to come to camp can be difficult for some of our adult leaders and we welcome adults to sign-up for half the week as part-time leaders. If you choose to use this option, please make sure to check-in or sign-out at the health lodge so that you can pick up or turn in your official wristband. Vehicles will not be allowed in camp Monday – Friday, so please plan accordingly.

Registered Scouts and Leaders Only

All Grand Canyon Council properties are nationally accredited and must follow Scouting America guidelines. All staff and participants, including scouts and adult leaders, must be registered and have completed all mandatory trainings such as youth protection. Geronimo's programs are only open for those registered in Scouts BSA, Venturing, Exploring, and Sea Scouts.

Visitors in Camp

Authorized visitors must check-in at the health lodge immediately after arriving at camp to receive an official camp wristband. Visitors are not allowed to eat in the Dining Hall unless they purchase a meal ticket at Headquarters prior to meal service. Visitors are never allowed to stay overnight.

Linked Units Policy

Campsites must be arranged to separate genders adequately. This separation could be achieved through natural barriers, physical distance, or by the campsite being divided, so long as the separation achieves privacy for both adults and youth, as well as by gender. Adult leaders are responsible for establishing the barriers and reminding Scouts that members of one gender must not enter the tent/housing of another.

Preparing for Camp

Preparing for camp is an easy process, but it does require planning ahead. As a unit Leader, you are the most important link in this preparation. The following check list is designed to guide you and your unit committee in pre-camp planning.

Timeline

From Point A to Z, and everything in-between, here is an easy to reference timeline of what to expect before coming to camp.

Immediate Action Required

- Meet with your unit committee to discuss summer camp plans.
- Develop a camp attendance and budget plan to assist Scouts and their families with summer camp-fees. We encourage units to fundraise through Popcorn and Camp Card sales.
- Begin promoting camp to your Arrow of Light (new Scout) patrols and talk with parents about how important the summer camp experiences is in Scouting.

- Make sure each Scout and Adult brings the following:
 - a. All required forms.
 - b. Personal and unit gear.

Arriving at Camp

Your week begins with arriving at camp. Here, you'll learn about how Camp Geronimo's check-in process works, including our Pre-Camp Swim and Paperwork Checks. You can also find information here on how to get to Camp Geronimo and Early Check-Ins.

Getting to Camp

Camp Geronimo is located approximately 20 miles north of Payson, Arizona. Camp's physical address is **2599 W. Webber Creek Rd. Payson, AZ 85541**. Camp Geronimo highly recommends that your unit arrives at camp as a group. Should you become separated during your travels, we recommend regrouping in Pine, AZ or Payson, AZ. Payson is the larger of the two, and has more options for gasoline and familiar storefronts. Pine is closer to the main turn-off from the highway you'll need to take to get to camp.

Saturday Arrival

We offer Saturday Check-In to a limited number of units each week at camp. Any unit that signs-up for this option is required to arrive between 1:00pm and 4:00pm, as close to the specific time they signed up for in Black Pug as possible. Units that opt in for Early Check-In will be charged a \$15 fee per camper to help compensate the staff who will be working during their weekend. Please note that the dining hall will not serve any meals until Sunday Dinner - units must plan their own meals before then. If your unit would like to check-in on Saturday, we recommend registering as soon as possible to secure a spot.

Sunday Arrival

All units arriving on Sunday are required to arrive as close to the specific time they signed up for in Black Pug. Any late arrivals must alert camp management ahead of time. Before departing, make sure all of your forms (if you did not turn them in ahead of time) and any medications listed in Part B2 of the BSA AHMR are easily accessible. You will need to quickly access them once arriving at camp.

Check-In Process

Arriving at the Front Gate

Once your unit arrives at the Front Gate of Camp Geronimo, a staff member will greet your unit and collect your Pre-Event Medical Checklist. When parking please back-in your vehicle and then send the Scoutmaster and SPL to the Gatehouse to begin your check-in process.

Gate House

Here, you'll start off by taking a contactless temperature check and reporting your Emergency numbers (quantity of vehicles staying on camp property and the number of seat belts). All participants will receive their wristband, get assigned a swim check time (if not done pre-camp) and be issued any applicable parking passes. If you are checking-in on Saturday this is also where you will turn in all required forms.

Camp Tour

Once your unit completes their medical screening, the Troop Guides will lead the Scouts on a tour of Camp Geronimo. The Adult Leader managing the paperwork will join the tour and be dropped off at the Masak Center. Meanwhile, the other Leaders can start driving gear up to the campsite, where they will meet the Troop to unload and set up camp. To reduce congestion on the narrow roads, only one Troop vehicle is allowed to drive up to the campsite at a time. **All vehicles must be brought back to the parking lot by 6 PM.**

Tours are not available during Saturday check-in. If you need to meet with the Camp Director or Program Director, they will be available at the Masak Center, Sunday from 1:00pm - 4:00pm.

Fish Camp Participants

After your unit has completed their medical screening, participants in Camp Geronimo's Fish Camp program will separate from their unit to board a 4:30pm shuttle to R-C Scout Ranch, where their program will take place. In order to ensure no interruptions to this schedule, please make sure all participants in Camp Geronimo's Fish Camp program have their personal paperwork, personal gear, and any medications with them before they separate from your unit.

Spade Ranch Adventure Participants

After your unit has completed their medical screening, participants in Camp Geronimo's Spade Ranch Adventure program will separate from their unit to and head to the Spade Ranch Headquarters. Please make sure all participants in Camp Geronimo's Spade Ranch Adventure program have their personal gear, and any medications with them before they separate from your unit.

Required Paperwork

In order to facilitate a smooth and easy check-in process, we ask all units to bring the following forms to camp. You can find these forms online at www.campgeronimo.org.

- **BSA Pre-Event Medical Screening Checklist**, one for each vehicle driving scouts to camp. Please complete this form prior to your unit leaving for camp.
- **Troop Health Officer Medication Waiver**.
- A copy of each participants **BSA Annual Health and Medical Record**, placed in alphabetical order.
- **Equestrian Release of Liability Form** for any participant in the Horsemanship or Spade Ranch Adventure programs, and those looking to participate in trail rides.
- **BSA Swim Classification Record** for any participant taking any water focused Merit Badges or anyone looking to participate in lake or pool open programs. (If your unit completed swim checks prior to camp)
- Kandle **Dietary Needs Request Form** filled out digitally.

Campsites at Geronimo

Camp Geronimo has 30 campsites available, each located in different parts of the canyon. All sites are equipped with standard A-frame canvas tents on raised platforms, a full size cot, an adirondack shelter, an in-site latrine, wash station, and drinking spigot. Campsites are assigned by the camp administration, and units will be informed of their campsite location upon checking into camp. If a unit requires additional, reasonable accommodations - such as ADA access, please contact the Camping Department prior to camp.

Campsite Policies

- **Camp Geronimo does not allow units to pre-select their campsites.** This is done to ensure that every camper has adequate housing while at camp. Units may list a preferred campsite in their Black Pug registration, but that campsite is not guaranteed to the unit.
- **Camp Geronimo does not guarantee that each unit will have their own campsite.** Due to the number of campers we have at any given time, we are not always able to place units in their own campsite. It is possible that units will be sharing a campsite with another unit.
- **Camp Geronimo does not guarantee that every Adult Leader will have their own tent.** Due to campsite capacities, we will not be able to place every adult in their own tent. If a unit wishes to do so, they are able to bring their own tent. If you are traveling by plane and unable to bring a tent please contact the Camping Department so we may better assist you.

Campsite Courtesy

- Do not enter other campsites or tents unless invited.
- Control noise and respect the camps quiet hours, 10:00pm - 6:00am.
- Leave other's personal property alone.
- If sharing a site with another unit, please set up a meeting with both troop's Scoutmaster and SPL to discuss sharing common facilities and cleaning schedules. Our Commissioner staff is available to help.

Wildlife & Ecology

Camp Geronimo is located in the beautiful Tonto National Forest, and is home to many native animals, trees and plants. Both scouts and adult leaders are encouraged to consistently follow Leave No Trace principles to preserve the natural beauty of the camp's surroundings.

Animal Safety

Scouts have an opportunity to observe many types of wildlife that includes deer, bats, raccoons, birds, skunks, turkey, snakes, coyotes, amphibians, and bears. It is wise to remember that these animals are the permanent residents of the backcountry. Therefore, treat all animals with respect and observe from a distance. Do not follow, feed, tease, or handle wildlife. If you discover a snake or an animal that is behaving strangely, please notify the camp staff immediately. More information is available in the GCC Wildlife Guide.

Plant Safety

The forest's vegetation is a delicate ecosystem. Please stay on designated trails and avoid using living, natural materials for shelters or projects. The trees at Camp Geronimo are especially important to us, so please refrain from climbing, carving, hanging items from, or otherwise damaging them.

Camp Safety

Ensuring the well-being of all campers is crucial to a successful week. Our staff are ready to address immediate medical needs. However, units should be prepared by following our health and safety policies.

Emergency Procedures

During opening campfires all campers will take part in an Emergency Drill in which the emergency alarm(s) will sound. Any other alarms during the week will signify an actual emergency. Please reference all other procedures outlined in the "Scoutmaster Guidebook" given to each unit upon arrival.

The Health Lodge

The Camp Health Lodge is staffed 24 hours a day by qualified medical personnel. Arrangements have been made with local rescue squads and hospitals to handle any medical emergencies. For insurance purposes all accidents, no matter how minor, must be reported to the Health Lodge and recorded.

Unit Health Officer

Each unit must make a decision to either maintain control of its medications or turn them over to our health officers for administration. If your unit chooses to maintain control of its medications, one adult leader must be designated as the unit health officer and sign the waiver. Please see the Troop Health Officer Job Description and Medication Waiver Form on www.campgeronimo.org.

Medication Policy

The Grand Canyon Council and Camp Geronimo requires that all prescription and over the counter (OTC) medications be stored under lock and key, except when in the controlled presence of health care staff or adult leader responsible for the administration and /or dispensing of medications.

- Emergency medications such as inhalers, EpiPen's, and nitro should be maintained on the patient's person.
- Refrigerated medications may be stored at the Health Lodge or in the campsite, under lock and key.
- All medication should be in a container issued by a pharmacist with the medication name and strength, the dose and dose frequency clearly marked on the container.

Prescription Medication Dosing Form

All participants taking medications must fill out the Prescription Medication Dosing Form prior to arrival at camp (we recommend that the unit health officer perform this task so that he or she is familiar with the medications). Please use one form for each participant and list the medication, dosage, and dosage schedule shown on the prescription. Each unit should be prepared to show these completed forms at check-in to the Camp Health Officer, and then keep them updated throughout your unit's week at camp as medications are used. Dosing forms must be turned in at the end of the week.

BSA Annual Health and Medical Record

Any person staying overnight must submit a Personal Annual Health and Medical Record upon arrival at Camp. Late arrivals should report to the Health Lodge. Please understand that the BSA Annual Health and Medical Record is the only medical form recognized by the Boy Scouts of America— sport, military, or other medical records may not be substituted. This record is provided as a fillable PDF, and members are encouraged to fill it out on their computer, then print the record (rather than printing the record and filling it out by hand). Doing this will improve the readability and accuracy of each member's medical information.

Role of the Adult Leader

Camp Geronimo requires a minimum of two 21+ adults registered with the Boy Scouts of America to be present the entire week. Every adult staying overnight must have current Youth Protection Training. Female troops must have a minimum of one 21+ Female leader.

General Discipline

Discipline and conduct of all Scouts and leaders is the responsibility of the unit leaders in camp. The Camp Leadership Team is ready and willing to assist at any time with problems that might arise. While most disciplinary issues should be handled at the unit level, sometimes the camp leadership team needs to intervene for the safety of the greater camp. If infractions and misbehavior rise to the level as to warrant removal from camp, the decision of the Camp Director is final.

Adult Leaders Are...

- Responsible for maintaining unit safety and discipline at all times, this includes travel to and from camp.
- To be aware of each youth's personal goals and objectives in order to promote Scouting's advancement.
- Encouraged to participate in camp activities and help support the overall Scout program.
- To provide constructive feedback to camp leadership and complete the camp evaluation.
- Expected to serve as a positive role model for Scouts. This includes language, attitude, and behavior.
- To be an active participant in all campwide events including Emergency Drills and Campfires.

Check-Out Process

Friday Pre-Check Out

All units should send one leader to the Health Lodge at 5:00 pm for their Friday Evening Pre-Check Out. Here, you will retrieve your medical forms, turn in your Scoutmaster Notebook and Medical Dosing Form. Our Director team will also be on hand to field any advancement questions you may have.

Check Out

The final Check-Out process starts at 6:00 am. Since Saturday is the only day our staff have off we ask that all units are off the property by 9:00 am. Please complete the following to insure a smooth departure.

- Continental Breakfast will be served in the Dining Hall from 6:00 am to 8:00 am.
- Turn in any tools to the Commissioners Shack.
- Complete a campsite inspection with your Camp Commissioner.
- Make your final stop at the Trading Post for any patches or last minute snacks.
- Stop by Headquarters to check for any lost and found.

Lost Property

Prior to arriving to camp, encourage Scouts to clearly mark all personal items with their name and unit number. This will help us return items to their owners prior to your unit's departure. Lost and found is located at HQ. Any items left at camp will be kept for two weeks at the Council Service Center in Phoenix and then donated to local charities.

To ensure quality and safe instruction, class sizes are limited according to the number of instructors, equipment, and other factors.

Our merit badges are tracked online through the registration system. You do not need to bring blue cards with you. Wipala Wiki Lodge

For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service.

OA Callout

The OA Callout at the Friday night campfire is a great opportunity to provide your unit with an experience they will never forget. If you would like any of your Scouts to be recognized at this ceremony, it is essential that you complete an OA election in your unit prior to arriving at camp. More information on how to schedule an election can be found at oa.grandcanyonbsa.org.

Out-of-Council Units

If your unit is not from Grand Canyon Council, you are still welcome to take part in Wipala Wiki Lodge's Callout Ceremony. To do so, please bring a letter from your local lodge chief and lodge adviser giving permission for Wipala Wiki Lodge to call out your youth. The letter must list the names of those nominated or be accompanied by a unit election report. Not sure what lodge your unit is a part of? Here's a link to the national lodge locator: oa-bsa.org/about/organization-structure/lodge-locator.

Camp OA Day

Tuesdays are the designated Order of the Arrow day at Camp Geronimo. Members from all lodges are encouraged to wear their OA sash throughout the day.

Brotherhood Opportunity

There will also be an opportunity for eligible and active (dues must be current) members of Wipala Wiki Lodge to complete their Brotherhood at camp. The cost is \$20, and can be paid at Headquarters with a Credit Card, through Black Pug or a Check. No cash will be accepted.

Camp Geronimo's Brownsea Island

Our First year camper program, Brownsea Island (BSI) is for Scouts who have just joined a troop or have just graduated from Arrow of Light, Cub Scouts. The program helps complete most requirements for Tenderfoot and Second Class ranks, while also accomplishing many requirements for First Class. This is a traditional program to help Scouts understand the patrol method, learn basic Scout Skills and experience many of the programs available at Camp Geronimo.

Program Goals

- To provide a well organized program based on the Patrol Method lead by qualified instructors.
- To maintain a ratio of one instructor to twelve Scouts.
- To teach the basic skills necessary to succeed in Scouts and the outdoor program as a whole.

How to Prepare for Brownsea Island

- Help the Scouts earn the Scout rank prior to summer camp.
- Ask the Troop Guide or an older Scout to show the new Scouts how to use and update their information in the Scout Handbook.
- If your troop has more than four Scouts participating in the program, we ask that you provide an adult leader to assist the Patrol Guides throughout the week. This is an excellent opportunity for the new leader in your troop to learn about Scouting. Troops may rotate the leader through the week as needed.
- Host a shakedown at a troop meeting prior to camp to make sure that the Scouts have all the equipment they will need for the week. Refer to the equipment list in the appendix. Required items: rain gear, flashlight, water bottle, and backpack. Items needed daily: water bottle, pen and paper, and BSI passport
Optional Items: compass, pocket knife, and camera.

A Week in Brownsea Island

The Brownsea program kicks off at 8:30AM on Monday morning with an opening Ceremony in the Brownsea Island Program Area. During this ceremony, Scouts will be grouped into patrols and meet their Guide—an experienced Scout who will work with them through the week as an instructor and mentor. Scouts will be matched with other Scouts who are similar in rank and experience to increase program flexibility and allow the patrols to work on appropriate material for their skill level. We will attempt to place troop members in the same patrol. Scouts will be presented with a passport and walking stave to keep with them at all times during the week. The passport will chart their progress towards the advancement requirements of Tenderfoot through First Class. Below is a sample day for Scouts in Brownsea. (Schedule will vary from day to day).

Time	Activity
8:30am - 8:45am	Opeining Ceremony at the Parade Grounds
9:00am - 11:30am	Patrol Time with your BSI Guide
11:45am - 12:15pm	Troop Competition
12:30pm - 1:30pm	Lunch with individual Troops
2:00pm - 5:00pm	Open Program for Camp Activities / Free-Time with Troops

Open Program

Your BSI Scouts will also be able to participate in Open Program in the afternoon! Led by their BSI Guide, your Scouts' patrol will be able to experience everything Camp Geronimo has to offer (with a few special BSI surprises along the way). Want your Scouts to work on more rank requirements or spend more time with your unit instead? No worries. Talk to your BSI Guide and they will be happy to work with you and meet your unit's goals.

Schedule Flexibility

While Brownsea Island always has a busy week scheduled, our BSI Guides are trained to be as flexible as possible to meet your unit's needs. Going on a hike and want your first-year Scouts to tag along? Scheduled a horsemanship trail ride for the same afternoon they were going to go shooting? You are always welcome to talk with your BSI Guide, or even the BSI Director, to work out a solution.

Maximizing the Program

In order for your Scouts to truly take advantage of the Brownsea Program, there must be a leader committed to working with the Scouts throughout the week. For example, leaders should ask to see the Scout's passports each night and test them on what they have learned. If you, as a leader, are satisfied with the Scout's knowledge, then sign off the requirement in the handbook. Though there will be informational meetings throughout the week, we encourage you to seek out the Brownsea Director if you have any questions or concerns.

Camp Geronimo's Fish Camp

Fish Camp is a hands-on, immersive program offered by Trout Unlimited and the Grand Canyon Council, BSA. This is not your grandfather's cane pole fishing experience—participants will learn the ecology necessary to select proper fly or bait, understand where to cast, and master the art provoking fish to attack your fly or lure. Interested scouts will earn and learn both Fishing and Fly Fishing Merit badges as they become proficient in technical skills like casting and fly tying. Join our expert staff and fish the beautiful streams and lakes of Northern Arizona in unique scouting adventure.
