

BSA Pre-Event Medical Screening Checklist

This is a tool to help leaders identify potentially communicable diseases in advance of event participation. The intent of this checklist is to review with each participant their current health status both before departure and upon arrival at the event.*

Driver Name: _____

Unit: _____

Session: _____

Do not participate if you have any of the following symptoms in the past 24 hours:

- Fever (100.4° F or greater)
- Vomiting
- Diarrhea
- New cough

Be responsible for your health and that of others. Isolate if you are sick. Do not attend any activity/meeting/event if you, anyone you live with or anyone you have recently been around feel unwell. Symptoms might include:

- Unexplained extreme fatigue
- Unexplained muscle aches
- New rash
- Sore throat
- Open sore

Participants who are symptomatic or ill should not attend or return to an activity until cleared by their health care provider.

Driver Signature: _____ Date: _____
